Transcatheter Cardiovascular Therapeutics (TCT) Scientific Symposium  
October 22-27 in Washington, D.C.**

**Application for Permission to Videotape, Film or Photograph**

Applicant: \_\_\_\_\_ Title: \_\_\_\_\_

Address: \_\_\_\_\_  
\_\_\_\_\_

Telephone: \_\_\_\_\_ Email: \_\_\_\_\_

**STATEMENT OF INTENDED USE:**

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Reporters are required to obtain written approval from CRF/TCT press official in advance if they are to film, videotape or photograph during the symposia, scientific sessions, posters and exhibits. Photography and audio taping is allowed during the symposia, scientific sessions, posters and exhibits.

If prior written approval is obtained for filming, videotaping or photography, the following rules should be adhered to:

- Camera crews and/or photographers should be accompanied by a CRF/TCT press official
- They must only videotape/film/photograph what was agreed upon in advance

**RELEASE:**

This signed form provides you with permission as per identified above to videotape, film or photograph during the Cardiovascular Research Foundation's (CRF) Annual Transcatheter Cardiovascular Therapeutics (TCT) Scientific Symposium, in Washington, D.C.

The applicant agrees that this permission is subject to the TCT policies.

I have read and agree to the conditions above.
